## SHAWN JOHNSON, OLYMPIC GOLD MEDALIST AND DANCING WITH THE STARS CHAMPION VISITS CHICAGO TO CHALLENGE KIDS TO DO GREAT THINGS

*The Lunchables Lunch Your Tummy Right Tour Provides Local Kids Some  
Mobile Mentoring*

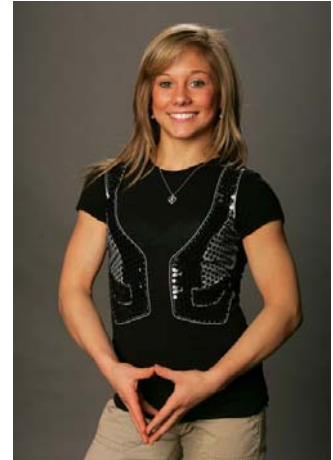

### WHAT:

Shawn Johnson will be making a special appearance at the *Lunchables Lunch Your Tummy Right Tour* at Navy Pier on Saturday, June 13.

### WHY:

From biking to tumbling, cheering to skateboarding, most kids have one thing they like to do above all others. But sometimes, they need a little extra encouragement to pursue their passions and reach their full potential. With summer just around the corner, *Oscar Mayer Lunchables Lunch Combinations* is kicking off the *Lunchables Lunch Your Tummy Right Tour*, a cross-country tour that aims to inspire kids to achieve success.

The Tour will be conducted in partnership with the well-known Camp Woodward, the country's biggest action sports, gymnastics, cheer and digital media camp that offers week-long summer sessions to kids ages seven to 17. U.S. and World Gymnastics Champion and dance sensation Shawn Johnson, who will attend Camp Woodward as a visiting pro, understands better than most that giving kids the support and inspiration they need is an integral part of their development.
